Thank you, Gary! I was confused why they weren't the same. Ole Peterson has been mentioned several times in the trial and I was curious if they were contracted, rather than MIMC, to dispose of the waste.

Thanks!

Jackie,

Currently, yes. International Paper & McGinnes are the PRPs for the waste pits north of I-10, and International Paper is the PRP for the Southern Impoundment.

**Subject:** Southern impoundment

Hi Gary,

I have been following the Waste Pits trial and noticed the Southern impoundment is not included. Are there different PRPs for the Southern Site?
